

# Viewing an Academic Evaluation (CAPP)

CAPP (Curriculum Advisement & Program Planning) is your tool for keeping track of your progress through the master's program in the Robinson College of Business. It will tell you what courses have been waived or satisfied either as transfer credit or at GSU, what courses you are registered for, and what courses you still need to take in the future to complete your degree requirements. It will also tell you about any 'non-course' requirements you must satisfy in order to graduate. Follow these simple steps to view your CAPP in PAWS:

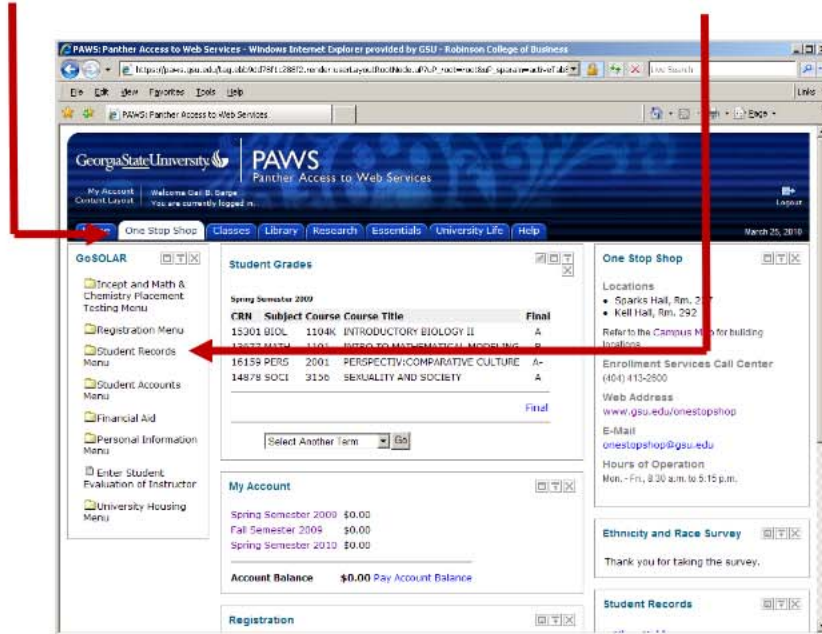

1. Go to [paws.gsu.edu](http://paws.gsu.edu).

2. Login using your regular Campus ID and password, the same login and password you use for your official Georgia State e-mail account. Go to <https://campusid.gsu.edu/> to activate your Campus ID and password. Once you are logged in, you will see this landing page:

3. On the **One Stop Shop** tab, in the GoSOLAR section, choose **Student Records Menu**.

4. Choose **View Academic Evaluation**.
