

Tips – Envolve Award USA 2018

Here tips are provided on preparing and submitting your application. You may find more information about the contest and your participation in the FAQs.

- 1.** Before applying, please read carefully the instructions provided for each field. You may find the key elements we are looking for clicking on the 'i' icon right next to each field title. This information will give you the basic directions for your application form.
- 2.** We highly suggest that you work and save your application on a Word document before applying.
- 3.** To better position your application, we suggest to include supporting documents regarding your business proposal. These documents could be slide decks or presentations, photographs, research, diagrams, etc.
- 4.** It is key to have a clear picture of your implementation plan. We are looking for business ideas with direct implementation and clear stages of your business plan.
- 5.** Before submitting your application please confirm that the information you have provided is correct and accurate. **After submission, you will not be allowed to make any changes or additions.**
- 6.** In order to successfully submit your application, your profile and application must be **100%** complete.
- 7.** It is key to have an indication of your business operations for five years, as well as how the Envolve Awards funding will support your business plan's implementation.
- 8.** Please indicate the specific amount of money you are interested in securing, followed by an explanation for the amount requested. Applications that paint a clear picture on this and are thoughtful around how these funds will be deployed have a better chance for success.
- 9.** Should you have any questions please direct your inquiries to info@envolveglobal.org. Please allow for a 24-hour period in between for a response.
